 APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:
 This permit to change the point of diversion and place of use of the waters of an underground source as heretofore granted under Permit 29009 is issued subject to the terms and conditions imposed in said Permit 29009 and with the understanding that no other rights on the source will be affected by the change proposed herein. The well shall be equipped with a 2-inch opening and a totalizing meter must be installed and maintained in the discharge pipeline near the point of diversion and accurate measurements must be kept of water placed to beneficial use. The totalizing meter must be installed before any use of the water begins or before the Proof of Completion of Work is filed. If the well is flowing, a valve must be installed and maintained to prevent waste. The State retains the right to regulate the use of the water herein granted at any and all times.

This permit is further issued subject to the conditions that the power or energy generated by the beneficial use of this water is subject to recapture within the boundaries of the State of Nevada when the need arises.

The total combined duty of water under this permit and Permits 31751, 31753, 29004, 29005, 29006, 29007, 29008, 29009, 30510, 31165 shall not exceed 8,400 acre-feet per annum from all sources.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not

to exceed 2.0 cubic feet per second, but not to exceed 1447.59 acre-feet annually.

Actual construction work shall begin on or before February 25, 1978

Proof of commencement of work shall be filed before March 25, 1978

Work must be prosecuted with reasonable diligence and be completed on or before February 25, 1978

Proof of completion of work shall be filed before March 25, 1978

Application of water to beneficial use shall be made on or before February 25, 1980

Proof of the application of water to beneficial use shall be filed on or before March 25, 1980

Map in support of proof of beneficial use shall be filed on or before
